To Whom It May Concern:

Launch Ministry is a local nonprofit providing struggling and homeless youth and young adults a pathway to self-sufficient adulthood. In 2017, we served 242 18-29 year olds, a decent number who have children of their own. While not all of these individuals are homeless when we first meet them, the majority are facing housing insecurity or have had periods of homelessness.

In addition to providing a 5-day a week Drop In Center that includes access to free food, clothing, and personal products, the community enables us to offer two free weekly dinners, a successful goal setting/mentoring program, on-site resources (job, housing, financial, educational coaching), referrals to off-site service providers, and a supportive community. We also manage a scattered-site housing program in Carver County, and are expanding to include Mobile Drop In sites where transportation to services is a major barrier.

Your donation will make a significant difference in the lives of youth and young adults in your community. By assisting us in providing a safe and stable space for these individuals to grow through their struggles and into independent adulthood, you are not only changing their lives, but improving the community as a whole.

As a 501(c3), your donations are all tax deductible. (EIN: 26-4579522)

Thank you for your donation. If you have any questions, please do not hesitate to contact me.

Sincerely,
Stephanie Friant
